You will need:

- The second half of the toothpaste box left over from yesterday
- Thin card
- Glue and spreader, sticky tape
- Paints, brush, water
- Magazines to cut up
- Scissors

What to do:

1. Separate out the box along the join and turn the box inside out.
2. Glue and tape the flap that joins the box.
3. Mark the width of the box on the card. Draw and cut out a rectangle.
4. Fold the rectangle across the middle to make a roof.
5. Draw and paint a door. Paint the roof
6. Draw a window. Cut out fruit and vegetables and a shop name and glue them on.

It might look a bit like this:
