You will need:

- Paints and water
- A narrow decorating brush (or large paintbrush)
- A pot to mix paint in

What to do:

1. Mix some blue paint with white paint (if you have it) and water so you have plenty of paint in your plastic pot.
2. Use a large brush to brush the paint on smoothly above the hill and on either side of the rainbow.
3. We will be adding clouds and a sun later on, so just concentrate on the sky for now!

It might look a bit like this:
