

Rainbow Village by Amanda Jane Ogden

Instruction 5: The sun and clouds, also sticking in the rainbow

To watch the video, click [here](#)

You will need:

- Wax crayons
- White recycled paper
- A piece of kitchen roll
- Scissors
- Glue and glue-spreader
- A 2p piece (or similar shape)
- A pencil
- The rainbow you made earlier this week

What to do:

1. Glue the rainbow into the corner of your box.
2. Trim the rainbow above the hill.
3. Colour an area of white paper with yellow wax crayon.
4. Put the coin on top of the yellow and draw round it with the pencil. Cut out.
5. Decide where you will place your sun.
6. Put glue on the back of the sun and stick in on the box.
7. Use your scissors to cut cloud shapes out of the kitchen paper.
8. Glue the clouds in place.

It might look a bit like this:
