You will need:

- Recycled white paper
- Paints, paintbrush, water
- Pencil
- Ruler
- Scissors

What to do:

1. Put the shops and houses in the box and draw round them at the base with a pencil.
2. Lift the houses off and paint between your pencil line and the road with grey paint.
3. Paint the gardens and paths for the houses in the terrace
4. Use your pencil and ruler to draw a rectangle for the zebra crossing.
5. Rule lines across it, about 1cm apart.
6. Paint the zebra crossing by using black paint in every other strip on your rectangle.
7. Glue the zebra crossing onto the road.

It might look a bit like this:
