

Rainbow Village by Amanda Jane Ogden

Instruction 21: A pond

To watch the video, click [here](#)

You will need:

- A recycled blue plastic bag
- Stiff clear plastic from packaging
- Glue and spreader
- Recycled white paper
- Scissors
- A ballpoint pen

What to do:

1. Cut out a shape for your pond from the clear plastic – any shape you like.
2. Spread glue on the back of this plastic and stick it down onto the wrong side (unprinted side) of the blue plastic bag.
3. Cut round the outside of the clear plastic shape – throw away the extra blue bag.
4. Spread glue on the back of the pond and put it in the park (the side of the box now lying sideways opposite the street).
5. Draw and cut out some tiny ducks and glue them to your pond.

It might look a bit like this:
